

Meng Foon is just a Maori caucus puppet.

For obvious reasons, a person in his position is supposed to be politically neutral but he is not.

Rather, he is focused only on promoting the Maorification of New Zealand, and thus is just another cog in the elite Maori machinery to take over New Zealand.

His latest tirade was his attack on Far North District council mayor Craig Jepson. Jepson stopped a fellow Maori council member who insisted on praying a Maori prayer at a council meeting.

As you'd expect, Foon was quick to attack Jepson and defend the Maori. Typical.

You can read Foon's comment [here](#)

In the article he is quoted as saying *"It's very important for councils and all organisations to create the right space to encourage Māori to honour the Treaty of Waitangi, to provide a space to express their culture and language. I would encourage the leaders of Kaipara District Council to acknowledge that and create a safe environment for all people,"* Foon said.

This is Foon's stock answer whenever Maori don't get what they demand.

What are we to make of it? It's BS. Why?

Some of what I am about to write, I wrote yesterday.

Stay with me here.

Let's look at the Treaty.

The first Article of Treaty¹ says:

"The chiefs of the confederation of united tribes, and the other chiefs who have not joined the confederation, cede to the Queen of England forever the entire sovereignty of their country."

To 'cede' means to give up, or 'give somebody control,'

'Sovereignty means 'government' or 'complete power to govern a country.'

According to Article one of the Treaty, Maori, having ceded sovereignty, must obey the instruction / law of the government. As it stands, there is no law which stipulates that Maori prayer must be prayed at the beginning of a council meeting. 'Prayers' are therefore discretionary, determined by the mayor.

Craig the mayor is the head of local government in Kaipara. As such, he's the boss. He has the full legal right to say what goes and what does not go in the council. He was elected by the people to govern, so has the democratic mandate.

¹ This is the Littlewood draft wording. The Littlewood draft was the final draft of the Treaty which was used by the Williams father and son to create the Maori version on February 4th, 1840. The Maori version is THE Treaty. This is what the chiefs signed of February 6th, 1840. So if you want to know what the Maori version says, read the Littlewood draft.

This morning, I was about to send out my blog, when I was emailed by a Ngapuhi leader friend, who only wants to be identified as Tane Tapuna.

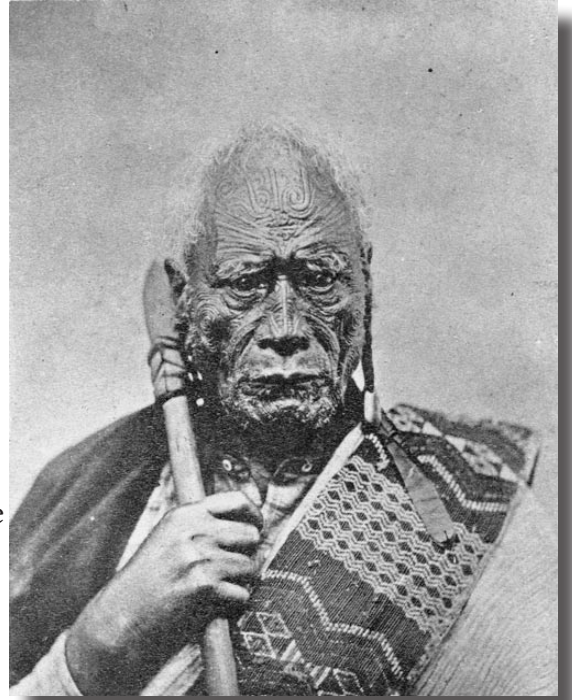

I know he is genuinely Ngapuhi. I know this for sure. We have met in person. He has a 200 year old Maori walking stick that has come down through his family line directly from Hone Heke.

He doesn't want his real identity known because he is fearful of other Maori, and fearful of the government.

Such are the times in which we are living.

40 years ago, to even think in this way would have been inconceivable in New Zealand. Now it's just reality.

He is writing to political leaders. His email was so good, I decided to hold off on what I was going to send to everyone today. Instead, I sharing Tane's email.

"This is not a hate mail. It's an expression by me on behalf of the vast majority of decent hardworking Kiwi people about our distrust of Politicians in Wellington.

It's a statement about Democracy theft.

Quite clearly Ardern is not in charge of NZ, but the Mahuta family is.

It seems control has slipped to the Mahuta family with Willie Jackson Lying his way to fame and fortune, and the Ego giant Narcissistic Maori MP's counting their fortunes while they intimidate the masses. Tribal power at its best, only equalled by the Black power and Mongrel mob gangs funded by their P Empires.

How is it that a party with little more than 1% of the vote can wield so much power?

The leap from 3 Waters to 6 waters, followed by the entrenchment gimmick leaves me in no doubt that before the next election we will be forced to accept a Dictatorship in the form of a republic with a Maori head of state running the show.

What the hell is going on in Wellington?

We – the hard working people deserve better than this.

Clearly Co Governance now rules the roost in Wellington, with the PM, just agreeing with everything. My question to you people as the supposed opposition is "What are you going to do about this?"

I despair for an opposition that does its job.

I wrote to Chris Luxon, and got a reply from a Robot??? Named Sonia. "Kiaora Tony" she greeted me. Not what I wanted to hear.

She then told me that Co-Governance over matters like water is OK, but Co Governance over public matters is not . Huh? What? What does that mean.

Mr Luxon you are sitting on the fence and hedging your bets. As a Voter, Im not going to support you until you are bold enough to make a clear unambiguous statement.. There is no room in this country for any form of Co Governance.

My message to you guys – get out there and do your job. Labour has made a real mess. Three waters is a rort. Its as blatant attempt at theft of my property. I (Yes Me) own part of the Water assets.

No Government can legally take my property away without my full consent.

You have the perfect opportunity to attack, and my advice is to go for the Jugular. I hope to see blood on the floor of Parliament this week. Labour blood. They are obsessive idealists unfit to be governing. They do not have the confidence of the country. Get rid of these incompetent fools.

This Government has sacrificed everything for these Maori Supremacists.

Poverty is worse than ever. Mental health is in the worst state ever. Young people are suicidal over fear for the planet due to obsessive indoctrination about Climate change.

Violent crime is rampant, kids don't bother with school and parents high on pee don't give a toss what happens to their kids. Our dollar is at an all-time low.

Fifty nine billion dollars was printed supposedly for Covid, but in reality gifted to the Maori Supremacists with no accountability.

We are on a suicide path to electrify our small vehicle fleet with NO plan on how to solve the energy deficit.

We dream on about Windmills and solar panels like Don Qote, while James Shaw with an entourage of 50 Lackey's, and a swarm of Maori performers fly's first class around the world attending fake conferences.

We see from the supposed select committees that Corruption is rampant in government, and we have a Public servant force that costs us more than the entire salary commitment to the money earning private

business sector.

Our country is in the most dreadful state it has ever been in thanks to Jacinda and her lofty dreams of a communist dictatorship.

What are you the opposition doing about all this? Get rid of this bunch of blundering incompetent corrupt ideologues, and look after the working people of this country.

Declare a vote of no confidence. They vast majority are right behind you. We loath and despise the Government of Jacinda Ardern and her Maori Supremacist mates.

No self-respecting Maori agrees with 3 waters, Co-Governance, or racism in any form.

Get out there and do your job for me and my whanau. Stop Racism. Stop Three Waters. Stop elitist Maori euphemists from stealing my property. Stop Tribal rule.

Stop the Mahuta Family and Willie Jackson, and get rid of that dreadful Maori MP with the facial disfiguration.

Signed: Tane Tupuna (Ngapuhi)

PS. To Sonia – Luxon's PA.

Don't ever greet me with KiaOra, and don't try to tell me that Maori interference with Local Government is a good thing. It isn't and it wasn't. It was just a huge embarrassment and an encumbrance on Society.

They added nothing whatsoever to the Consenting process, and just rorted the system for every dime and cent they could grab.

PPS. Im writing this now because shortly I won't be allowed to criticise the Government thanks to new Anti-Critique laws from the Maori Justice Minister.

PPPS. Jacinda. You are done.

The people don't want you anymore. Your social experiment did not work.

Your plan for a communist dictatorship is not going to happen.

Go now.

Resign.

Go and work your dream job at the UN or NATO.

Whatever, just go.

What you can do to fight all this nonsense?

Have [these business cards](#) printed and start handing them out, put them on car windscreens, in letter boxes, post the QR code on social media. If you really don't want co-governance, and you want to stop the coup, then become a big picture person, start using the word 'coup'. Then get some business cards printed, and get going.

You can make a huge difference!

Volunteer to help host a meeting in your town or suburb!

There is a small team of us who are planning a tour of New Zealand starting mid Jan 2023.

The purpose of the tour is to raise awareness of the danger of co-governance, and to gather political support to stop it.

We would like you to help us....

In the cities, we need a couple of people in each suburb.

In towns also a couple of people

If you and/or a friend are willing to help out please email us here stopcogovernance@gmail.com

Some of the tasks to do are:

Help set up chairs and signs at the venue in your area

Deliver flyers.

We will obviously advertise the meeting places and times on our web site.

These events do cost money unfortunately so if you can make a donation that would also be fantastic...head to our website to donate..... Thanks!

If you really want to stop co-governance, and the takeover of New Zealand by radical Maori distortion, then now is the time to take action.

It's time to move out of your office and away from your computer, and hit the streets! Complaining on line can only take us so far. We need to go to the next level.

Now is the time! Email or phone me right now.
