

In our multicultural country, you ~~had~~ have rights...

With the Government imposing "co-governance" at every level of our society, your rights are being slashed...

One Person - One Vote is no longer.

A handful of unelected, unaccountable people (with a Maori ancestor) are now able to dominate and control our public funds and services:

 **Your Schools**

 **Your Hospitals**

 **Your Outdoors**

 **Your Workplace**

 **Your Councils**

 **Your News**

 **Your Water, Sewage & Power**

Co-governance discriminates against you and your family.

Lifting some Maori up cannot be to the detriment of everyone else in New Zealand.

Protect the future of our multicultural country for your children and grandchildren to inherit.

There will be an opportunity to donate to the tour on the night.
